

of the infants that it be sold for \$3000.00?

I do.

Where do the infants reside?

With me.

You wish the sale ratified and confirmed by the Court so you can convey the property?

Yes.

The money that you receive from the sale you are going to put in a new home for the benefit of the children?

Yes.

TO THE GENERAL INTERROGATORY:

I think we are selling at an opportune time. Both of the children are very anxious for us to sell the place as I have bought a new home and they are most anxious to move into it. As both of my boys and I work in Frederick, and I bought a home in Frederick, where it would be more convenient for all of us, they are most anxious that it be sold.
